Nature of Complaint:

It has been determined that the above incident may be best handled by Neighborhood Dispute Settlement (NDS). A citation or other criminal prosecution may be taken because of the incident(s). We are offering mediation as an alternative to a traditional resolution. Neither party surrenders any rights they may have by attending mediation. ***NDS may be contacted at (717) 233-8255.***
PARTIES 1 and 2: If you do not contact NDS within 7 days, and then follow through with NDS proceedings, it will reflect unfavorably on you regarding this incident, as well as any possibly similar incidents in the future.
ABOUT MEDIATION: NDS uses trained mediators, who are experienced in resolving neighborhood problems and other disputes. The mediation will be scheduled for a convenient time at a neighborhood site. The mediators make no judgments in the case, but set ground rules and assist both parties in working out a solution. All contacts with and between NDS and the referring police department are kept strictly confidential.
